MEMORANDUM FOR: Lieutenant General Edward J. Heinz, USAF
Director, Intelligence Community Staff

FROM: H. F. Hutchinson, Jr.
Director, Security Evaluation Office

SUBJECT: C/CCISCMO Issue Paper on DCI/SEO

Ed

1. I have attached a marked up version of the CCISCMO issue paper given to me for coordination yesterday. You can tell from the annotations that I do not believe it is accurate or adequate. Further, my suggestion is that the format selected for this paper is not suitable to the topic.

2. I offer to you, for whatever purposes you have in mind, my paper on the DCI/SEO submitted to the Director for his transition issues book. This paper has the benefit of direct knowledge of what has transpired as well as the atmosphere and the tone surrounding transition team interest, Congressional interests, and the principals involved in all these discussions.
